Custom Service

At NKD you not only find a large selection of designs and graphics to choose from, but can also order something completely unique. From logo designs, flyers, post cards, or business cards for your company to a shirt with your own graphic or photo. I can print you anything on the article you want as long as you have the rights to the graphic/design/photograph. A collection of photos on a table runner for a birthday or wedding. Pillows with your favorite flowers or a shirt that shows your grandchild and proclaims you the best grandma ever. If you have an idea, a graphic and/or a product in mine, feel free to contact me and I will give you a personal quote as well as create some mock-ups to show you how your end product would look like.

Classic Apparel Designs

Classic T-Shirt design means you take a plain T-shirt and place a graphic on the front or back of it. The graphic won't cover the whole shirt, but only part of the surface area. You pick the color of shirt, the graphic and where

on the shirt you would like to have it placed. Simple, easy and classic. From a funny phrase to a complex Celtic knotwork design, anything can be placed on your new favorite T-shirt. *Shipping is not included in pricing*

Full Graphic Apparel

Full graphic designs will cover the whole fabric, transforming a plain and simple piece of clothing into something extraordinaire. No matter if it is a pattern of

hearts and flowers or a roaring tiger eating your hand.

The apparel can be covered with just one graphic wrapping all around and repeating itself, or front, back and sleeves can show different graphics. Either way, it's an amazing way to wear something unique. *Shipping is not included in pricing*
